Dear Brother Cardinals, Archbishops and Bishops,

Pax et bonum!

We write to you Presidents of the FABC Member Conferences and Associate Members as we approach FABC 50 General Conference.

We wish to ask for your cooperation in sharing the responsibility for the preparation phase for the General Conference. This will begin after the Inauguration on August 22. We have plans for this period that will need your cooperation. Some of these will be part of the General Conference itself.

We ask for you to present to us a contact person from your conference/country by August 15.

Please respond via our Central Secretariat: fabccentral@yahoo.com.

It will facilitate things if we have a contact person who will be the connection with us and within your conference. They will focus on the General Conference and then communicate and follow up within your conference/country.

- We will be asking help to promote and announce the Inauguration of the FABC 50 General Conference
- We will be asking for help in the promotion of the dissemination of the FABC 50 prayer and the Song of Asia.
- We will be sending a number of short videos about the FABC that will need to be adapted to your situation and disseminated.
- We will have a questionnaire for added reflection before the General Conference itself. This person can coordinate this.
- We will be asking for prepared morning prayers from 15-18 countries. This will be explained later.
- We plan to have virtual visits to some parishes and some dioceses during the General Conference by the bishops gathered for the General Conference. This will be explained later.

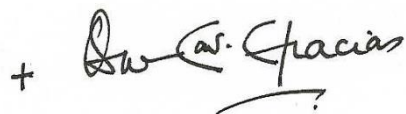

These contact persons will receive communication and be the point person within your conference/country. They may be called for virtual meetings to have the details of these plans explained more in depth.

We ask your prayers as we prepare for the Inauguration of the FABC 50 General Conference on August 22.

Fraternally yours in Christ,
