Dear Contact Persons,

Greetings from the FABC Central Secretariat in Bangkok!!

We are less than a week away from the Inauguration of the FABC 50 General Conference on August 22!! We have requested all of the FABC Members to designate a Contact Person. A person who will be the connection with us and within your conference. They will focus on the General Conference and then communicate and follow up within your conference/country.

We wanted to wait until after the work on the Synod report was done so as not to overlap.

Please find attached to this email:

- The letter sent to all of the conferences and participants about the Inauguration.
- This letter contains the links to the Inauguration and the link to the source materials for the Song of Asia written for the FABC 50 General Conference.
- The FABC 50 Prayer
- The FABC 50 logo
- The letter sent requesting a Contact Person.

This is our first request. It is urgent.

We ask that you creatively announce, publicize, and promote the spreading of information about the Inauguration of the FABC 50 General Conference this coming August 22. Please find ways to make it known. Spread the information on the links.

While the ceremony itself will begin at 12 noon Bangkok time, the broadcast will begin at 11:00 Bangkok time. There will be introductory material that will be presented.

At the same time find ways to make the prayer available, for sure almost everywhere translations will be necessary. Encourage the use of the prayer.

The same for the song. Encourage the use of the Song of Asia. There is a minus one available that could facilitate this.

This will take place very soon and the hope is that many people will know about this and view it, live or even after it is over it will be available.

There will be more to follow after the Inauguration. We make call for a short zoom meeting.

In Christ,

✘ Bishop Allwyn D'Silva
Adjunct Secretary of the FABC 50 Organizing Committee
