Dear Eminences, Graces, Excellencies and Rev Fathers,

Greetings from the FABC Central Secretariat in Bangkok.

In a few weeks the FABC General Conference will commence in Bangkok, Thailand, at the Baan Phu Waan Pastoral Centre from 12th to 30th of October 2022.

In order to help the dioceses and churches across Asia know and understand what the FABC is about, we have created and made available a dedicated website <https://www.fabc2020.org/>. This is also available from the [fabc.org](http://www.fabc.org) website.

Specifically, on the website, we have created a **Resource Page**, <https://www.fabc2020.org/resources>, which has the FABC Prayer for the General Conference in various languages and the Song of Asia.

Most importantly to help people know and understand the FABC there are a series of eight short videos

These help one understand the FABC and the context of the General Conference. These videos are in English but scripts are available for translation and subtitles in the language of your country or region. We have also provided the videos without the soundtrack and voiceover, to enable record the voiceover in your local language.
